To Whom It May Concern:

It has been 2 years since I have known Christopher, as both, a close friend and colleague. I was first introduced to Christopher when I joined Dar es Salaam Yacht Club, where he is a member. I am writing this reference letter with regard to his embroidery work which he does with so much passion.

Christopher is one of the most disciplined and punctual person I've ever known. His ability to work efficiently under stressful conditions and nerve-wracking deadlines speaks volumes about his hard work, determination, and composed demeanor of Professional Boxing and Embroidery. In the month of August 2018 he did some amazing embroidered T-Shirts for the Office staff and demonstrated excellent leadership skills and morale.

I would also like to add that, Christopher is a compassionate human being with praiseworthy perseverance and ambition. I thereby, strongly recommend Christopher and will continue to no matter where I will be in the world..

Sincerely,

Letter of thanks

With great pleasure, I have over the past year attended Chris Herre's boxing class here in Dar es Salaam. This has been a wonderful opportunity to exercise and to learn the skills of this special sport. My joy and satisfaction are 100% due to the enthusiasm, professionalism, patience, and great spirit of Chris. Possessing skills and knowledge is one thing, knowing how to transfer these is another. Chris has both and that is a special combination. I am grateful to him for the multiple sessions, the great atmosphere, and the improvements made.
